

# THE BABY - VIPCSA YOUTH MINISTRY

She is now born, so cute and lovable

A baby of difference

For she is raised in different languages

Clothed by different race and culture

Pondered and powdered by the word of God

What are we going to name her?

Lets call her Nobuhle

For the beauty she will bring in the world

Or rather Nompumelelo

For the efforts of success she will bring amongst youth

How about we call her Khanyisa

For she will be the light of the young and the old

The poor, rich infact for everyone on earth

Ok, let's call her Youth Ministry

Welcome to the world Youth Ministry

This world is not of the weak hearted

You need to stand firm of what you believe in

Stay true to who you are than what they want you to be

Preach more the word of God than principles and orders

Show them the way than confusing them with position

Youth is in great danger; we trust you will be their true friend

You will be able to make them feel accomodated and accepted

You will make them know their level of importance in the whole world

For they are the future in the world

Make them to feel accepted, welcomed and put God first

Make them to rely more on what they need than they want

Make them believe in Christ not those who preach Christ

Youth ministry, you are now the hope of the future
