CELEBRATING 50 YEARS OF WOMEN IN ORDAINED MINISTRY

The Rev Mary-Anne Ntebo Molifi

A Journey of Faith, Calling and Service

The Rev Mary-Anne Ntebo Molifi's story is one of faith, perseverance, service and a calling that, despite being sensed at a young age, patiently waited for her to embrace it fully. She was born and raised in Mokopane, where she completed her education from pre-school through to matric. She is married to Mr CR Molifi and is blessed with two daughters.

Her academic journey reflects determination and a desire to grow. From a variety of studies, she went on to obtain a Bachelor of Arts degree in Theology and later an Honours degree in Practical Theology cum laude at the University of Pretoria.

Before entering full-time ministry, she gained valuable work experience, including serving as an administrative clerk at DG Tsebe High School (2006) and as Personal Assistant to Rev P Mogale at MUPSAAP (2007). Since 2022, she has also served part-time as a Spiritual Worker in the Department of Correctional Services in Tzaneen.

Her involvement in the life of the church extended beyond the local congregation. In 2010–2011, she served as Youth President within the Presbytery of Limpopo. She participated in the Council for World Mission programmes in American Samoa and the Netherlands, broadening her understanding of the church and the wider Christian community.

HIGHLIGHTS OF HER MINISTRY JOURNEY

- † Ordained and appointed to Weirdale Congregation on 2 September 2018.
- † Called and inducted into the Call in August 2024, marking a significant milestone in her ministry journey.
- † Served as Moderator of Limpopo Presbytery in 2024–2025.
- † Contributes to the wider church as a part-time Spiritual Worker in the Department of Correctional Services in Tzaneen since 2022.

A Life of Faith and Service

Her journey is a reminder that ministry is not defined by one congregation or one position. It is a continuing journey of responding to God's call, serving people and making a meaningful contribution wherever one is placed.

As the UPCSA celebrates 50 years of ordained women in ministry, her story stands as a testimony of faith, perseverance, service and a heartfelt response to God's call.

We celebrate her faith, her perseverance, her service and her response to God's call.
