

Version: April 26, 2018

Dear Parents:

As a parent, you understand the importance of the path of graduate education in the workplace. In fact, you know that your child will gain what no one else can: the ability to contribute with confidence, the ability to create opportunities, and the ability to become a leader. You know that a graduate education will give your child the skills and knowledge that will set them apart from a crowd. You know that your child will be able to lead and create opportunities.

1. **Academic Rigor**

Graduate education is a challenge, but one that every graduate-level student can handle. While the graduate-level program is challenging, it is also one of the most rewarding and stimulating. It is designed to help you gain the skills and knowledge that will set them apart from a crowd. You know that your child will be able to lead and create opportunities.

2. **Work Skills**
