

APRILA (Association of Professional Researchers in Life Sciences)

1 December 2022

A great year to the wonderful team of our best and bestest research!

APRILA is pleased and proud to receive the funding that we are entitled to by the Government of the Czech Republic for research projects from the MŠMT for the period July 2022 to June 2023.

APPLICATIONS

In total 50 applications were received as follows:

MSA	41
JIND	2
JIR	07

PERMANENT WAGE

Total amount: 6,500,000.00

This is as of December 31 of 2022

Please note that some more payments are to be made in December 31 of 2022

This cost is covered in structure from a business called MŠMT Agency for RNDI (I.A. 14) which was paid directly from their account for APRILA applicants.
