

TO ALL IN THE UPCSA

The Church in Society Committee of the General Assembly invites all in the UPCSA to include in their prayer list during the Lent period and up to the day of the SA elections on the 29th of May 2024 a prayer for peaceful, free, and fair elections. The Committee invites the Presbyterians in South Africa, particularly to participate in the interventions and activities that promote and work towards the ideal of peaceful, free, and fair elections. The Committee shares the observation that has been made by others that this is perceived to be the landmark process that is set to redefine the future of the country, as it is even equalled to the 1994 elections in magnitude.

The Committee will contribute to the process by holding some webinars as a build-up towards the elections. The first will be held on Monday the 18th of March 2024 at 18:00. The speaker will be the Rev Moss Ntlha who is the Secretary of The Evangelical Alliance of South Africa (TEASA) and Chairman of Defend our Democracy. The topic for the day is The Church, Democracy, and General Elections in South Africa. All the Presbyterians are invited to participate in this and other webinars on the subject.
